

Home Page

1. Second section - Know more button text center align nhi hai. button ki width 25% hai abhi usko 24% kr do.
2. What Our client say – video border bhut round hai jb karoge to btna kitna percent hai uske according m btati hu.
3. Get in touch form – sare boxes m border de do jaise select country, website development isme hai waise hi or enter captcha m desing kr rahi hu yhi same waise hi kr dena.

<input type="text" value="Enter Captcha"/>	<input type="text" value="C3c232"/>	<input type="button" value="Verify Captcha"/>
--	-------------------------------------	---

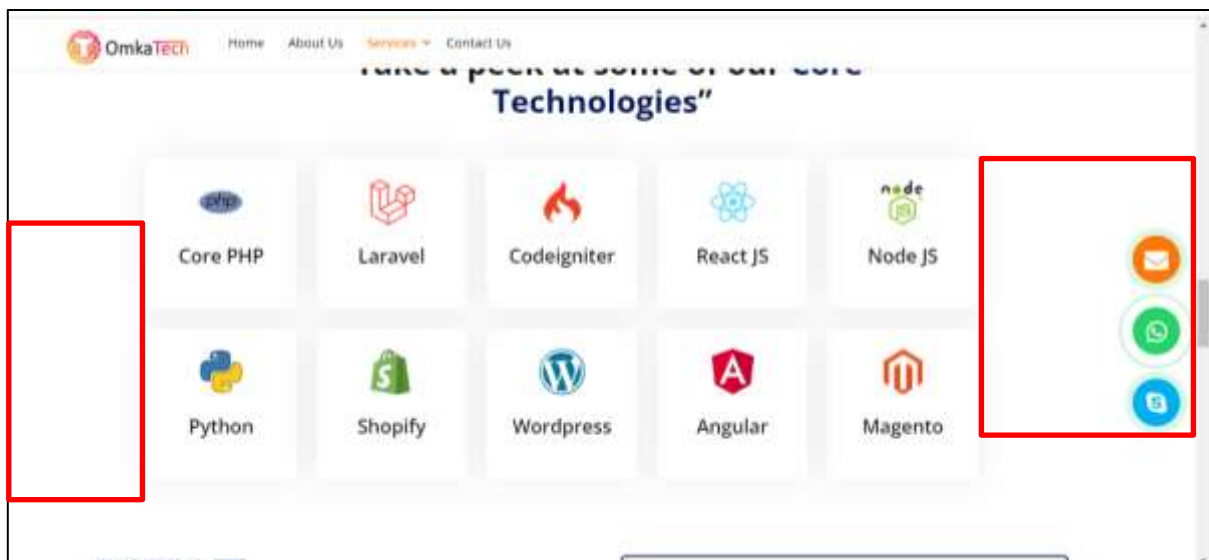

4. Address, E-Mail and call us in box m jo icon hai unka color alga jo orange use hua hai website m won hi hai.
5. Most important – home page p niche scroll ho raha hai right to left and left to right wo check kro ki kisi object ki width jyada hai jisse aa raha hai ise fix kar do.

6. **About us page** - Form or icon color ye sare page hi hoga baki thik hai ye page.
 - ❖ Services –
7. **Website and software development Page** – banner apne change nhi kiya jo diya tha 1st time niche se cut raha hai icon ager changed hai to btna m size or km kr dunga.
 - Schedule a call section - button center m nhi hai

- Schedule a call section se pehle or baad m thoda space de do congested lg raha hai bhut.
 - Same form and address, call, mail icons color change.
8. **Mobile app development page** –
 - Schedule a call section se pehle or baad m thoda space de do congested lg raha hai bhut.
 - Schedule a call section - button center m nhi hai
 - Technology w work section - ye center m nhi hi left m km margin hai or right m jyada website development page p bhi same hi hai dono jagha sahi kar do. Niche maine red box se mark kiya hai dekhna.

9. Designing page –

- **Schedule a call** section se pehle or baad m thoda space de do congested lg raha hai bhut.
- **Approach we follow section** - Prototyping ka icon change hoga other page p dekho jo hai wo lgao . and fial feedback wale m client feedback wla ayega.

10. Growth & Marketing Page - **Schedule a call** section se pehle or baad m thoda space de do congested lg raha hai bhut. Ye sare pages p hai m note nhi karungi age sabpe kr dena.

- Service we provide – box k ander iocn content align nhi hai proper or box ka border radius badha do abhi sharp corner hai , shadow color light grey and shaow bhi km hoga.
- What we do - image show hi ho rahi hai.

11. **Enterprise solution** - banner ki width thodi si badhana jisse left side m white space dikh raha hai won na dikhe

- Our industry capability - alignment sahi nhi hai boxes k ander box ka shadow km hoga, and border radius dena hai thoda 2 px
